<p><b>All Student Lab Fee</b></p> <p>Unique to the expeditionary learning model are labs. Outside a traditional academic setting, labs enhance and enrich student learning as an integral part of the curricula by providing opportunities for hands-on, experiential, authentic learning. Deeply steeped in mathematics, science, and social studies, labs extend the learning beyond the classroom. Supplemental to the consumable items on the supply list, Villa Bella Expeditionary will also collect a twenty-five-dollar lab fee per-student to cover the direct cost of curricular lab materials.</p>
