Expeditions are a key component to the Expeditionary Learning curriculum. They enhance and enrich student learning as an integral part of the curricula by providing opportunities for hands-on, experiential, learning. They aim to extend student learning beyond the classroom. Therefore, in addition to the consumable items on the supply list, **VBE will also collect \$50 per student to supplement purchases related to expeditions.** There will be at least one out of school expedition per curriculum module per grade level this year. We also require families to purchase a **\$18 VBE Explorer t-shirt** that students will wear while on community expeditions.

Expedition and t-shirt expenses can be paid at any time by visiting the **Pay Online** tab of the **Parents** page at [www.villabellaschool.org](http://www.villabellaschool.org). Payments can also be made at VBE during the New Student Orientation and Back To School Day. Ideally, payments should be made in full by August 9. If needed, payments can be made in two separate installments with one installment being made by August 9 and the second installment being made by September 7.
