Expeditions are a key component to the Expeditionary Learning curriculum. They enhance and enrich student learning as an integral part of the curricula by providing opportunities for hands-on, experiential, learning. They aim to extend student learning beyond the classroom. Therefore, in addition to the consumable items on the supply list, **VBE will also collect \$50 per student to supplement purchases related to expeditions.** There will be at least one out of school expedition per curriculum module per grade level this year. We also require families to purchase a **\$20 VBE Explorer t-shirt** that students will wear while on community expeditions.

Expedition and t-shirt expenses can be paid at any time by visiting the **Pay Online** tab of the **Parents** page at www.villabellaschool.org. Payments can also be made at VBE during the New Student Orientation and Back To School Day. Payments must be made by August 7.
